SENIOR RESUME

Gather my children and you shall hear,
The story of this senior year.
In nineteen seventy does our story begin,
When they started out as lowly freshmen.
For favorites they chose Deanna Whatley and Gary Hardin.
But wait! Our story is just startin'.
From their Christmas party in nineteen seventy-one,
They decided that they had just begun.

Wonders of wonders! They were sophomores, yet!
As favorites David Criswell and Leona Bryant were their bet.
And as their Christmas party drew near,
They were looking toward their junior year!

Jody Gressett and Steve Lundy made the favorite's scene
And THEY GAVE HIM A COED was a scream!
They sold their spirit tags throughout the land.
And after their Christmas party, their senior year was at hand.

As seniors, they were a strange and curious sight.
The Halloween carnival turned out to be just right.
Shirley Dodd and Perry Ham were chosen favorites this day,
Along with THE CURIOUS SAVAGE as the senior play.
During this year, when the sun had left the sky,
It was dicovered that watermelons can get one high.

This is the end of my short little ditty
Of the nineteen seventy-four Seniors of Denver City.
So, there you are, my friends. What can I say,
Except that you, too, may be a senior someday.

It's the truth!

CLASS SONG

TIME IN A BOTTLE

by JIM CROCE

If we could save time in a bottle,
The first thing that we'd like to do
Is to save every day
Till eternity passes away
Just to spend them with you.

If we could make days last forever,
If words could make wishes come true,
We'd save every day like a treasure, and then,
Again we would spend them with you.

But there never seems to be enough time
To do the things you want to do
Once you find them.
We've looked around enough to know
That you are the one we want to go
Through time with.

If we had a box just for wishes
And dreams that had never come true,
The box would be empty except for the memories
Of how they were answered by you.

There never seems to be enough time
To do the things you want to do
Once you find them.
We've looked around enough to know
That you are the one we want to go
Through time with.

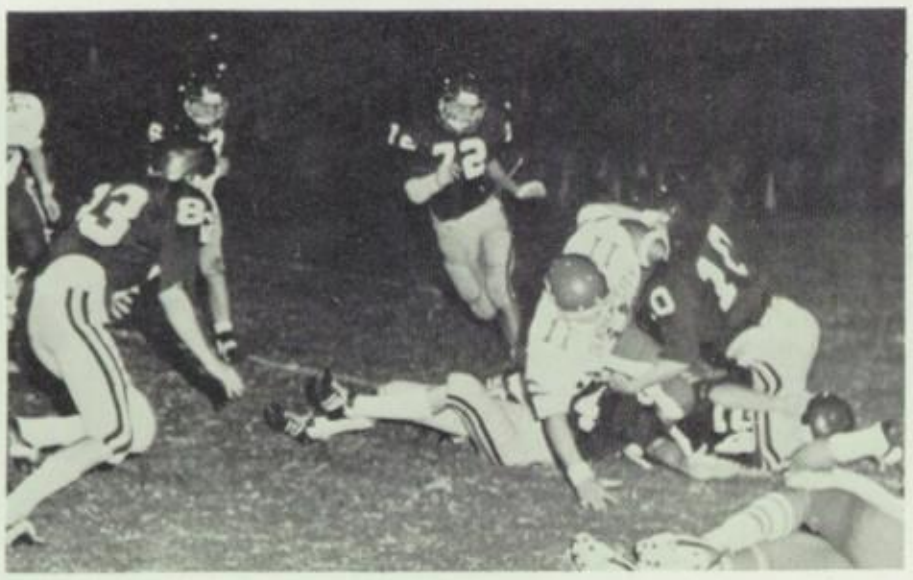
**Denotes Conference Games

SEMINOLE:

Opening the 1973 season, the Big Red team galloped to a 12 to 7 victory over Seminole. The win over the Indians marked the start of a very good season for the Mustangs.

BROWNFIELD:

Football is said to be a game of inches and this fact was proven at Mustang Stadium as the Big Red Machine nipped the Brownfield Cubs in a 9 to 8 clash.

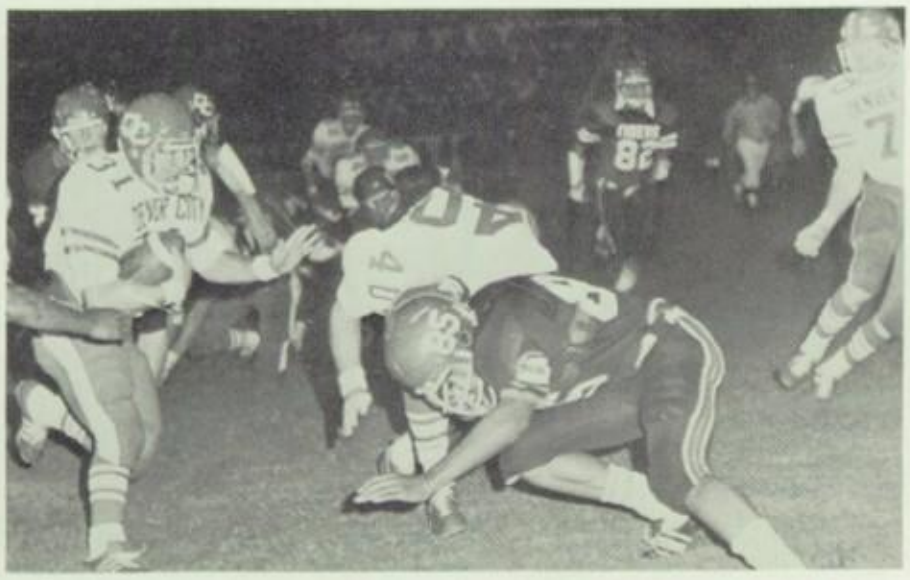


KERMIT:

Once again the Mustangs downed another AAA opponent by defeating the Kermit Yellowjackets 15-0. The defense held the Jackets to only 44 yards total offense and a 4 yards rushing.

CRANE:

The combined excitement of the tremendous Homecoming crowd and student body spirited the Mustang team to yet another victory. Our Big Red sent the Cranes home on crippled legs after a 29-0 Homecoming bout.



SLATON:

It was the first district outing and the Mighty Mustangs were ready. Big Red tallied twice in the first quarter to mark a score of 14-7 against the Slaton Tigers.

COOPER:

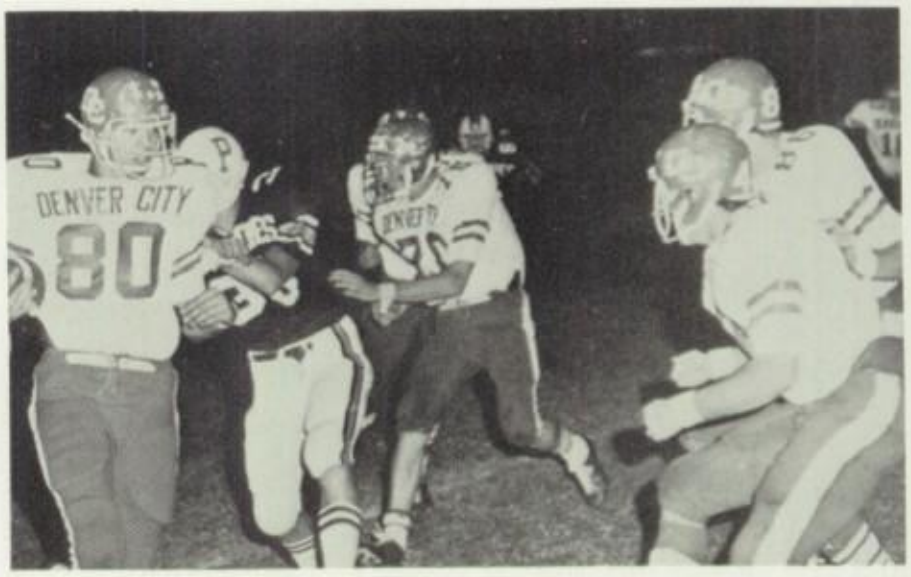
"Revenge is Sweet" as the Mustang team learned after the second district game with Cooper. Big Red put the damper on the Cooper Pirates by scoring in each quarter. The final score was D.C. 30 - Cooper 6.

FRENSHIP:

Frenship posed no problem for the Mustangs as they held the Tigers to a six-point game. Four touchdowns made a 40-6 victory a cinch.

POST:

"Never say die" seemed to be the motto of the Mustang team after a fantastic comeback in the fourth quarter and a 0-0 standoff at the halftime. Two D.C. touchdowns following a Post field goal attributed to a hair-raising fourth quarter. The score was Denver City 12, Post Antelopes 3.



Bruce #32 what a block

TAHOKA:

Our boys proved once again that they are indeed F-I-N-E, fine out on the L-I-N-E, line as they trounced past the Tahoka Bulldogs 41-0.

ROOSEVELT:

In the last game of the season Denver City traveled to Roosevelt with only one thing on their minds: Not to let the Eagles do it to us again. But Lady Luck saw fit to follow the Eagles once more and leave the Mustangs behind at 21-6. Nevertheless the Mustangs had a fine final record of 9-1-0.

GOOD WORK MUSTANGS!

SR. '74

Autographs

Tommy,
Well this ~~so~~ has been a great year for lots of things! (ex-cluding roll ball HA!) Tommy you are a very sweet and crazy person! You have a great sense of humor and fantastic personality! Don't change and stay sweet! God Bless ya always!
Love,
Debra
SR '76
STATE BASKETBALL
roll ball '75 ('76)

Tommy,

This has been one of the greatest years I've had in school, and you've helped make it that way. I've enjoyed having you in geometry. Even if you do get down on Mrs. Sparks a lot, I don't really blame you, I don't like her either.

Good-luck in the future years. I hope that you make it good with the girls in college. You deserve someone that will treat you right and love you with all their heart.

Maybe someday in the far ~~future~~ future, you and your wife can come to visit Bruce and I. (I hope!)

Stay sweet and keep smiling.

Love ya,
Mary

Tommy,

I have had so much fun in Geometry this year. I couldn't have asked for a better class or for better friends. You are so crazy! You really brighten up the classroom. I think alot of you be cause you remind me so much of my brother (Charlie) Keep you wonderful person ality and you will have the world eating out of your hands. May God Bless

Love,
Kay

Tom

Its great being
a Sr 74; hope you
have as much fun next
year as I have had this year.
I think ya will have a great round
ball team next year & I hope ya make it
farther than we did. Keep at it so you can play
a little college round ball, maybe I should of done that
instead of playing football (only time will tell) Its been great
having you as a friend this year & chunking the nut with ya
hope to see you around after this year; when I come back from
H.P. all bruised up. Give em hell!

Bruce

Tommy Smith
I enjoyed playing
ball with you
and wish you the
best next year.

Rob

Dear Tommy;

Another year has gone by. And now we only have one more year to spend together in high school. This year has been wonderful even if we didn't get along all the time. You have taught me many things that I won't forget. Tommy, I want to thank you for being understanding this year during football, I made the mistake, but you managed to understand without to much trouble. I enjoyed yelling for you during basketball and hope that next year you will go farther. I know how much basketball means to you so keep up the practice and your plans will work. I know many times I stand between you & basketball, except now I understand. I know I don't act like it all the time but you mean so much to me til it's almost unreal. It seems as if I can't do anything unless I know who and what your doing. These few weeks we been apart has just about tore me apart. I understand now why you do the things you do. You the best boyfriend a girl could ever have, I really don't know how I ever got you. I'm trying my best to understand myself so that maybe we will become closer than we ever were. Just remember you were the first and the last. So you know just how much I love you. Know one could be a lucky as me to have had you. Keep praying and your problems will workout. I'm here and ready to listen at anytime

I love you...
